Access Partner Learning Camp

Access to on-demand learning made just for you!

With Partner Learning Camp, you supercharge your growth, and build, sell and implement Salesforce better and faster than ever before.

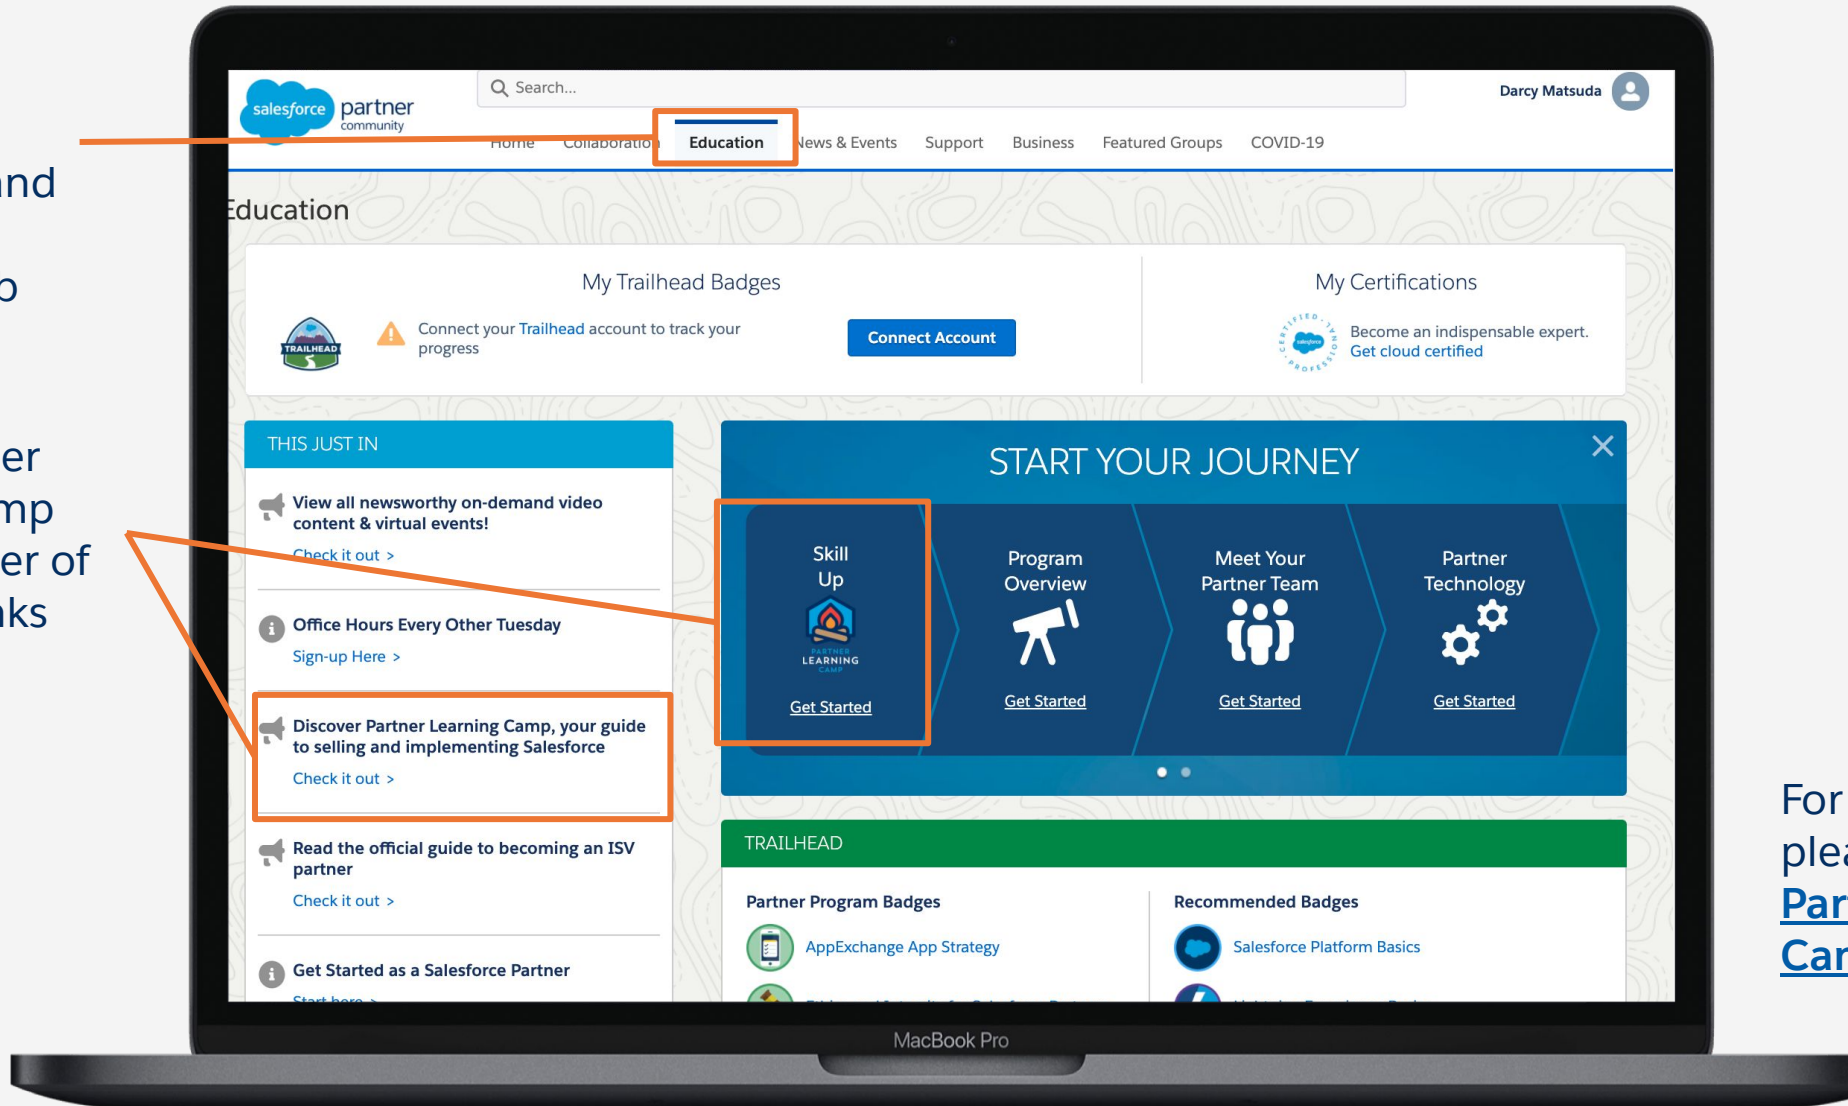

Login to Partner Learning Camp

Login to the Partner Community and click the **Education** tab

Access Partner Learning Camp through either of these two links

For further directions, please check out: [Partner Learning Camp - Login Guide](#)

Partner Learning Camp Learner's Home Page

Partner Trailblazers can access current assignments and check their learning progress.

You can see your course completions and progress metrics.

You can see your current Assignments and enrolled courses.

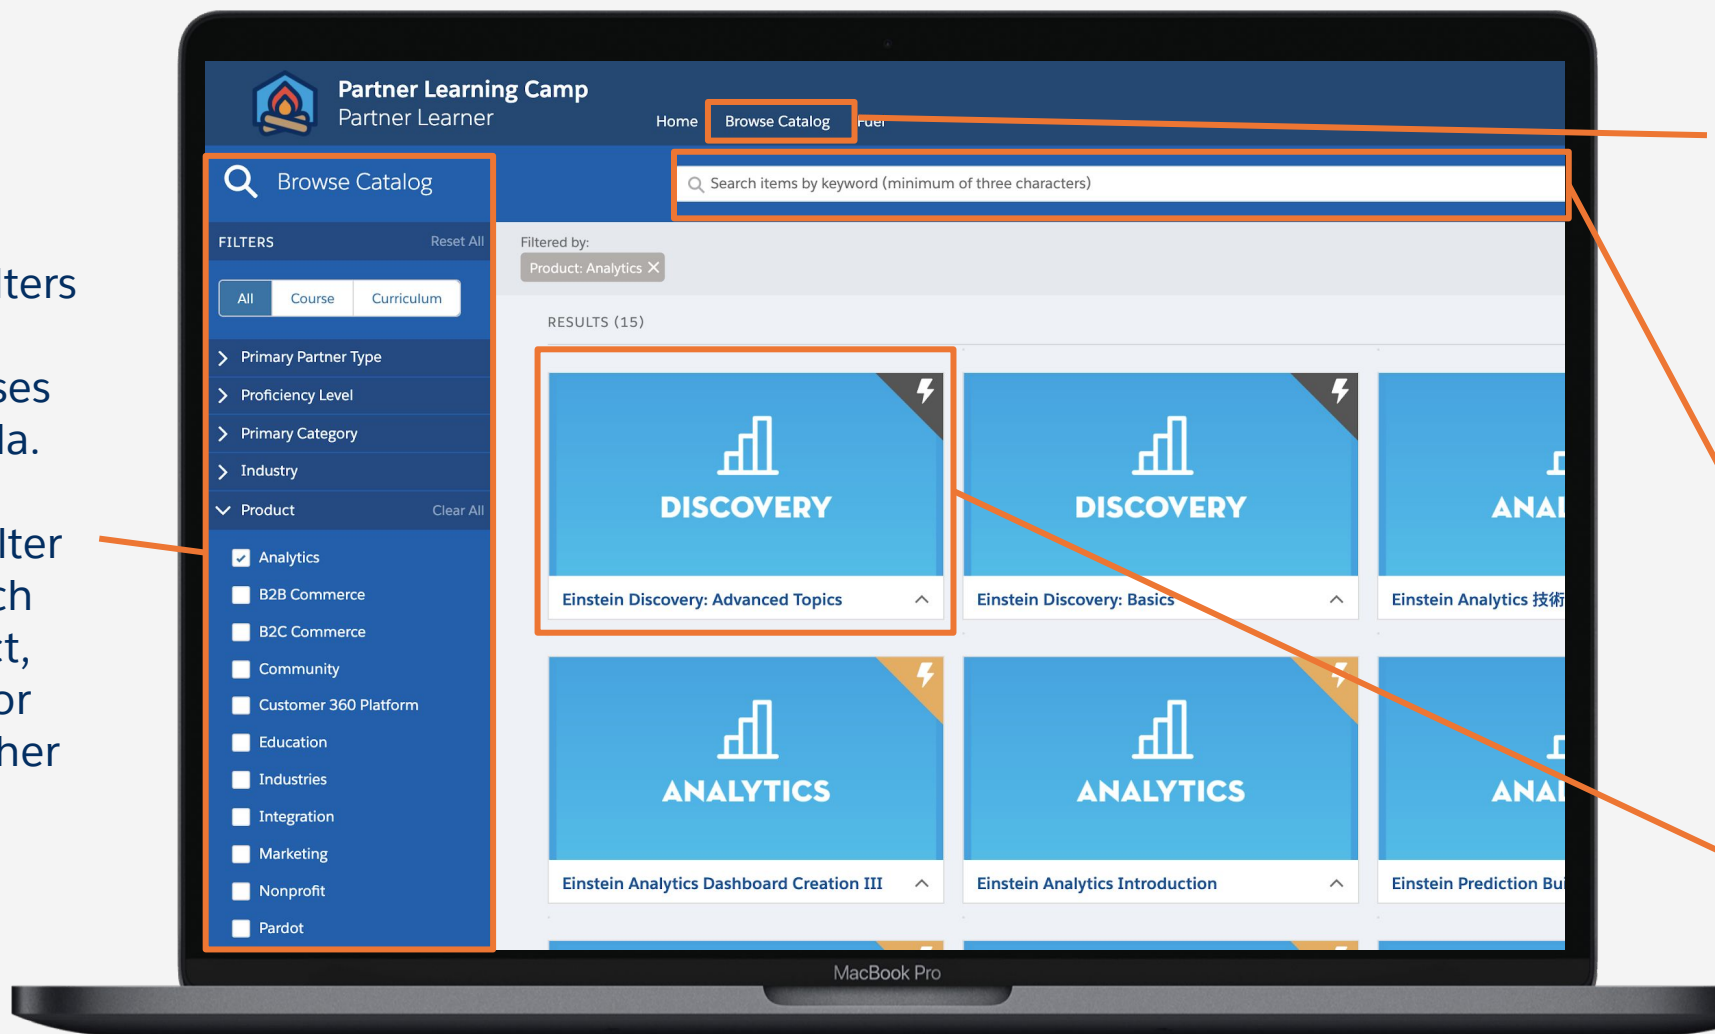

The Home Page tab lets you view courses you're currently enrolled in or have taken in the past.

To explore further, watch the new demo: [Take a Tour of Partner Learning Camp.](#)

Partner Learning Camp Browse Catalog

Partner Trailblazers can quickly find the learning content they are most interested in.

Use the filters to sort for only courses or curricula.

You can filter your search by Product, Industry, or several other options.

The Browse Catalog tab allows you to find and enroll in courses and curricula.

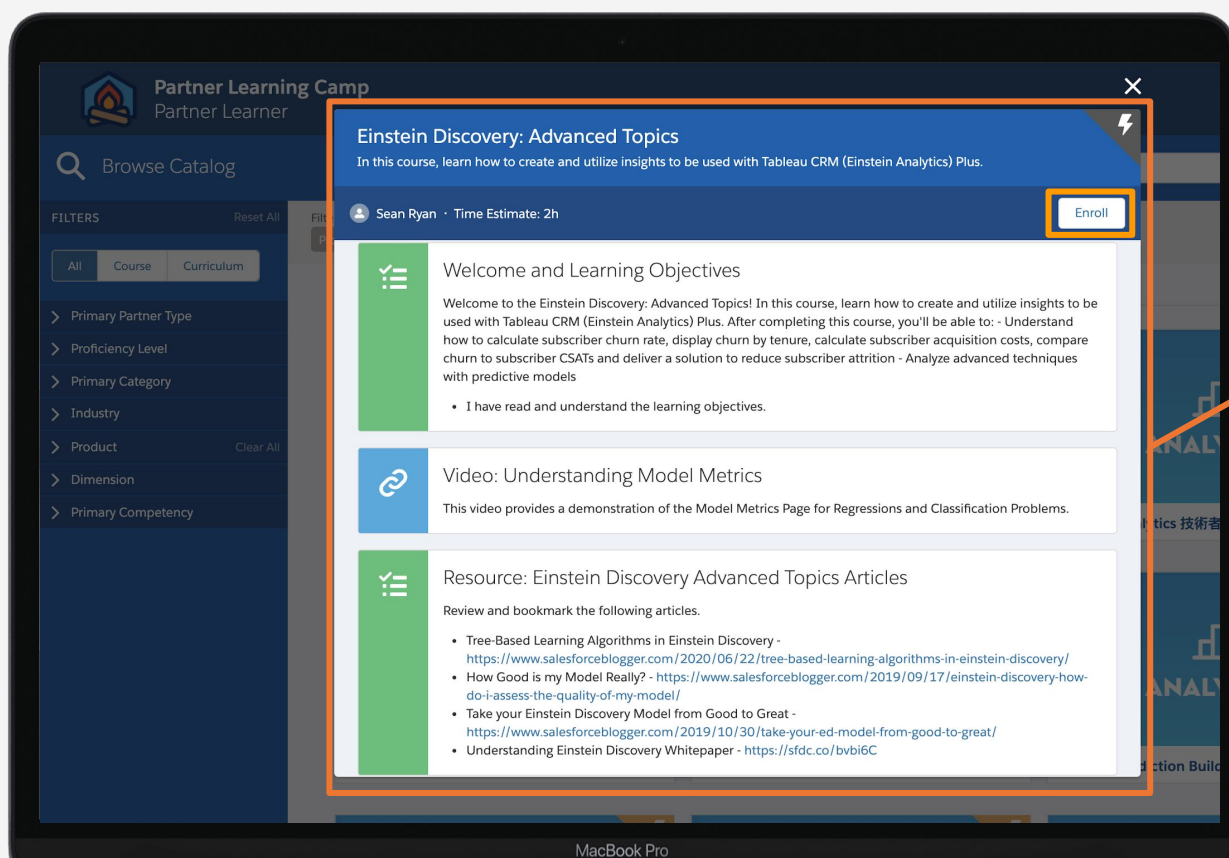

Use the search bar to find courses and curricula by key words (e.g., analytics, solution architect, or marketing.)

Hover over the cards to get the full description and enroll. Click on the course or curriculum to see a detailed view of what's included.
